

Concert date	_____	Venue	_____
Musician	Claude Diallo		
Instrument	Piano		
We need	• YAMAHA grand piano (minimum size C3X), tuned between 440–442 Hz on the day of the concert • Adjustable piano stool • Piano microphones and cables, set up before arrival • PA system, mixing board and a sound engineer, if the room is too big to play acoustic and without a PA • Good stage lighting of the piano and the pianist, if possible Claude Diallo is a Yamaha Artist and only plays solo piano on a grand piano, ideally of the brand YAMAHA. Should no YAMAHA grand piano be available, Claude Diallo could inquire with YAMAHA to see if they could provide a premium instrument to the organizer without rental fees, but transportation costs. Claude Diallo is allowed to play other grand pianos if YAMAHA is not available for some reason. But other brands are not allowed to be depicted on photo or video material used by the concert organizer.		
Soundcheck	• Please allow 30 minutes with the tuned piano, at least one hour before doors open • The stage should be clear and the room should be silent • The grand piano should be set according to the plan on page 2 before soundcheck		
Hospitality	• A quiet room to relax, to change and to store valuable items before the show. If such a room is not available, please inform us in advance to adapt to the situation • A bottle of sparkling water with a glass on stage, and enough bottled sparkling water with a glass backstage • Some snacks such as nuts, fruits and/or some sweets, if available backstage • Possibly one hot meal for dinner before or after the show, depending on schedule and availability. Dinner has to be at least one hour before showtime or right after the show. Claude Diallo has no allergies or dietary restrictions Attention: no coffee smell backstage or near the stage. Claude Diallo gets sick from the smell.		
Travel and accommodation	• Should the engagement include a hotel, minimum requirement is 3 stars including breakfast. The hotel should be within walking distance from the concert venue if possible. Otherwise, transportation from the hotel to the concert venue and back to the hotel should be provided by the concert organizer		
Merchandise	• Claude brings CDs and vinyl to sell at the concert • Please have a table ready in a lit area near the entrance or the bar		

Stage plan

Notes

- Please do not seat people too close to the piano, or very close behind the pianist
